Forty-plus Log-in To Learn Webinars to Inform, Inspire, and Invigorate

Continue your beekeeping, gardening, farming, small business, and leadership education during 2021. Forty-plus presentations will inform, inspire, and invigorate listeners. Two series will be presented: ***Log-in To Learn series*** and ***Creating Pollinator Habitat series***. Webinars will be held February through December 2021 from 8 p.m.-9 p.m. eastern (7p central, 6p mountain, 5p pacific), and feature regional and national speakers who are experienced, knowledgeable, and engaging in topics important to beekeeping, pollinator habitat, healthy soils, clean water, community-supported agriculture, leadership, and small business. Registration fee is \$10 per webinar per person. Group rates are available for member associations, clubs, and groups. Live presentations will be recorded and available for individuals to pay-to-view the presentations for one year *after* the live presentation. For more information about topics, dates, and group rates visit <https://leadforpollinators.org/log-in-to-learn-webinars/>

The Schedule of the Webinars can be found online at <https://leadforpollinators.org/schedule-for-log-in-to-learn-and-habitat-webinars-2021/>

Other opportunities with the Log-In To Learn and Creating Pollinator Habitat webinar series include:

- Advertising at the webinars—Learn more at <https://leadforpollinators.org/webinar-advertising/>

Our mission is to provide leadership, education, action, and development to support the health and sustainability of honey bees, native pollinators, and the keepers of the ecosystem.

LEAD for Pollinators is a 501c3 nonprofit organization.

- Becoming a Sponsor of the webinars- Learn more at <https://leadforpollinators.org/sponsor-log-in-to-learn/>
- And the Multipak Group Rate for 11 presentations for your group during 2021. Learn more at <https://leadforpollinators.org/webinar-series-multipak/>

For more information about the webinars visit our website or contact LEAD for Pollinators, Inc. at info@leadforpollinators.org or 330-803-3449. LEAD for Pollinators, Inc. is a nonprofit organization whose mission is to provide leadership, education, action, and development to support the health and sustainability of honey bees, native pollinators, and the keepers of the ecosystem.
